LateralFile

Specification

BISLEY

High-quality, hard-wearing design with a strong reputation for timeless aesthetic appeal, makes our LateralFile range the first choice amongst architects, designers and end users.

LateralFile enables an entire workspace to be specified in one range. It can meet the most challenging storage requirements, as well as subtly dividing spaces to create different working zones and break-out areas.

All products are customisable, offering a broad choice of finishing touches; a large selection of internal accessories, and a palette of over 34 colours allow for creativity and co-ordination.

Features

Hand-finished, hidden seams.

Sound dampening, double-skin doors with soft-close hinges.

Individually locking drawers for added security.

Range includes specialist products such as recycling and display units.

Wide range of internal accessories available.

Choice of locking options for personal storage.

Available in a comprehensive range of dimensions.

34 colours available as standard.

Stylish wood wrap options available.

Optional planter top.

Minimum ten-year guarantee.

Made in the UK.

Benefits

Comprehensive – A true systems storage solution, which can be tailored to fit all filing and personal storage requirements.

Secure – Lockable units for secure storage of office and personal items.

Colourful – Choose from an extensive palette of 34 colours, or specify a custom colour to reflect your brand.

Acoustics – Soft-close, double-skin doors with sound dampening capabilities to avoid noise distractions.

Specify – Choose from an extensive range of internal filing options to suit your specific needs.

Customisable – Choose wood wraps to create a unique look and coordinate with existing wooden elements.

Biophilia – Add optional planter toppers. Biophilia improves cognitive function and enhances mood and creativity

Additional information

Combination units:
When specifying your own LateralFile Combination Unit please allow 38mm (1.5") for fixed tie bar. In units above 1300mm (51.2") a tie bar will automatically be included in the carcase price.
For help specifying the correct code for a Combination Unit please speak to your Bisley representative.

Levelling feet
Adjustable levelling feet are fitted as standard to all LateralFile units. Height is adjustable up to 24mm (1") in total. Except to 718mm (28.3") high two door cupboards and Tambours, which are fitted with adjustable levelling feet that are adjustable up to 8mm (0.3") and are fitted with one fixed shelf with centre partition on bottom half of the unit.

Internal specification
Two door cupboards are supplied empty except for 718mm high cupboards which are supplied with one fixed shelf.

LateralFile bookcase and magazine unit shelves will match the carcase finish.

Please note: 600mm (23.6") deep coat cupboards will be assembled using SystemFile carcase.

All internals are supplied in black except plastic shelf dividers & pigeon hole sets supplied in translucent plastic.

All drawer units have slotted bases and open backs and will include file bars as standard.

Safety warning
It is recommended that all cabinets below 1300mm (51.2") high should be fitted with a counterbalance if any pull out elements are fitted. Pull out elements should only be fitted in the lower half of the cabinets.
